2, Meeting place

The workshop will be held in the Toyama International Conference Center. The meeting room is on the 2nd floor. The registration desk and reception room are also located on the same floor.

Access information to the meeting place is summarized on the workshop webpage:

<http://www-sk.icrr.u-tokyo.ac.jp/NNN10/access.html>

An access map is attached to this bulletin. From the Toyama airport, you can take a bus (400 JPY) bound for "Toyama station" and get off at the "Sogawa" stop, or take a taxi (<3,000 JPY) to either the conference center or the ANA Crowne Plaza Hotel Toyama. Here is the timetable of the bus.

14:40@Toyama ANA(NH)885	Airport 14:50 → Sogawa 15:09
16:50@Toyama ANA(NH)887	Airport 17:00 → Sogawa 17:19
18:50@Toyama ANA(NH)889	Airport 19:00 → Sogawa 19:19
21:00@Toyama ANA(NH)891	Airport 21:10 → Sogawa 21:29

From JR Toyama station, you can take a new streetcar called CENTRAM (Line #3) and get off at the "Kokusai Kaigijou Mae" stop. It will take 6 minutes and the fee is

200 JPY. If you don't have heavy baggage, you can even walk for 15 minutes from the JR Toyama station to the meeting place.

3, Reception and onsite registration

The welcome reception will take place in the Toyama International Conference Center, 2nd floor, on December 13. Upon arrival, you may check in the ANA Crowne Plaza Hotel Toyama at first, and then go to the conference center; this is a one minutes walk to the west. The registration desk and reception will be opened at 6PM and closed at 8:30 PM. For those who cannot arrive by then, the registration desk will be opened at 8:10AM on December 14. The plenary session will start at 9AM on the day.

4, Fee

The conference fee is 30,000 JPY. You are required to pay cash at the registration desk if you haven't paid during online registration. We regret that credit cards are not acceptable at the desk. All participants will receive a receipt of his/her payment at the desk.

5, Scientific Program

It is available on the workshop webpage.

<http://www-sk.icrr.u-tokyo.ac.jp/NNN10/program.html>

6, Talks

Please check your name, affiliation, and title of the talk at the following URL:

<http://www-sk.icrr.u-tokyo.ac.jp/NNN10/program.html>

If you need any corrections, please let us know as soon as possible.

The allocated time in the program includes discussion session. For the 20 minutes talks, the time includes 3 minutes discussion time, namely
20 minutes = 17 (presentation) + 3 (discussions).

For the talks longer than 20 minutes, allow 5 minutes for discussions.

For the presentation, the LOC will prepare a laptop PC running Windows with PowerPoint 2007 and Adobe Acrobat reader installed. Therefore, we would like to ask you to prepare a compatible file, i.e. Power-Point (.ppt or .pptx) or PDF format. In order not to waste the session time, all talks will be downloaded to this

computer. Therefore, please give your presentation file to the LOC member at the registration desk at least one day prior to your presentation.

All talks will be posted on the workshop website after they have been presented.

7, Poster Presentations

Posters should be prepared in A0 size i.e. 840mm(W) x 1188 mm(H), and in portrait format. Poster hanging material will be available at the registration desk. Poster should be posted on December 14th and remain in place during the workshop period. Posters should be removed at the first break on December 16th.

Poster sessions will take place in the evening of December 14th and 15th. All poster presenters are required to stay in front of their posters during the poster sessions.

8, Weather

Typical temperature at this time of year in Toyama ranges between 0-15 degrees C. It is recommended to have a jacket, hat, and gloves available for cold weather. We do not expect heavy snow, and thus boots are not necessary.

You can find more weather information in the forecast page:
<http://www.wunderground.com/global/stations/47707.html>

9, Network and Computer Facilities

There will be wireless Internet access available at the meeting room. The station name and password will be announced at the meeting room. No computing facilities or printers will be provided at the workshop.

10, Tour

Only for the participants who signed up at the online registration, the tour to the Kamioka Underground Laboratory will take place in the afternoon of the last day, December 16th. We will arrange several groups to visit such experiments as Super-Kamiokande, XMASS, CANDLES, and KamLAND. Please sign up when the relevant announcement is made at the workshop.

The tour bus will leave at 13:00 sharp in front of ANA Crowne Plaza Hotel and will come back to Toyama airport at ~17:00 and to ANA Crowne Plaza Hotel at ~17:30.

All tour participants are required to read "Rules for visitors to Kamioka observatory" in advance; it is attached to this bulletin.

We wish you a nice trip, and are looking forward to seeing you in Toyama.

Yoichiro Suzuki and Hiro Aihara
on behalf of the NNN10 Organizing Committee
