

Call for a Professor at Kamioka Observatory

Institute for Cosmic Ray Research, The University of Tokyo

The Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites applications for a professor position at Kamioka Observatory. The successful applicant should be proficient in Japanese and will conduct research at both the Super-Kamiokande facility and the observatory's future projects

1. Position: Professor, 1 person.
2. Job description:
The successful applicant will take a leading role in both research at Super-Kamiokande and in the further development of astroparticle physics at Kamioka Observatory.
3. Place of work: Kamioka Observatory (Hida-city, Gifu-prefecture, Japan)
4. Start of the term: As soon as possible after April 1st, 2017
5. Term: Permanent.
6. Application:
Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Once the application documents are received a confirmation e-mail will be sent to the applicant. Applicants should verify they receive this confirmation after submission
 1. Curriculum vitae,
 2. Summary of past research activities (up to 3 pages),
 3. Publication list including a list of oral presentations at conferences and workshops. Please include copies of the applicant's most important publications (up to three papers) and clearly mark these in the publication list,
 4. Possible start date,
 5. Research plan (up to 3 pages).
7. Application Deadline: Application materials must be received by 17:00 JST on December 19th, 2016.
8. Selection process:
Applicants will be screened on the basis of their application materials and candidates will be invited for interviews. Candidates will be contacted with information concerning the interview process.

The University of Tokyo encourages applications from women in accordance with "The University of Tokyo's Declaration on Gender Equality" (<http://kyodo-sankaku.u-tokyo.ac.jp/en/about/history/documents/DeclarationEN.pdf>).

All application materials should be sent on time to the following address, **application_at_icrr.u-tokyo.ac.jp** (please replace **_at_** with **@**).

Inquiries should be addressed to Professor Masayuki Nakahata, Director of Kamioka Observatory, U.Tokyo at,
nakahata_at_icrr.u-tokyo.ac.jp (please replace `_at_` with `@`)
