

From Takaaki Kajita,  
Director of the Institute for Cosmic Ray Research, The University of Tokyo  
Job No. ICRR2021-02

## Call for an Assistant Professor at Kamioka Observatory

The Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites applications for an assistant professor position at Kamioka Observatory. The successful applicant will conduct research at the Hyper-Kamiokande and Super-Kamiokande experiments at Kamioka Observatory.

1. Position: Assistant Professor, 1 person
2. Job description:  
The successful applicant will play a leading role in the construction/operation of Hyper-Kamiokande and astroparticle researches at Super-Kamiokande. In addition he or she will contribute to the operation of Super-Kamiokande including the maintenance and operation of its water purification system. Applicants from fields outside of neutrino physics are welcome.
3. Place of work: Kamioka Observatory (Hida-city, Gifu-prefecture, Japan)
4. Application Prerequisites:  
Applicants should have or be about to obtain a Ph.D. in a related field by the time of employment. Applications from applicants of all genders, nationalities, and levels of research experience are welcome.
5. Start of term: As soon as possible after an offer is made.
6. Compensation: Basic Salary will be decided according to your academic background, professional background, etc. You will be automatically enrolled in the insurance from the Mutual Aid Association of MEXT and Employment Insurance.
7. Term: 5 years with the possibility of an additional 5 year extension.
8. Working Hours: Discretionary labor system, based on 7 hours, 45 minutes per day, or 38 hours 45 minutes per week.
9. Days off: Saturdays, Sundays, Holidays, and the year-end and New Year holidays (December 29 to January 3)
10. Application:  
Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Applicants should arrange for two letters of reference or recommendation to be sent to the e-mail address below. Once the application documents are received a confirmation e-mail will be sent to the applicant. Applicants should verify they receive this confirmation after submission.
  1. Curriculum vitae,
  2. Summary of past research activities (up to 3 pages),

3. Publication list including a list of oral presentations at conferences and workshops. Please include copies of the applicant's most important publications (up to three papers) and clearly mark these in the publication list,
4. Possible start date,
5. Research plan (up to 3 pages), and
6. Letters of reference or recommendation (2 letters).

11. Application Deadline: Application materials must be received by 17:00 JST on June 7th, 2021.

12. Selection process:

Applicants will be screened on the basis of their application materials and candidates will be invited for interviews. Candidates will be contacted with information concerning the interview process.

The University of Tokyo encourages applications from women in accordance with “The University of Tokyo’s Declaration on Gender Equality” (<http://kyodo-sankaku.u-tokyo.ac.jp/en/about/history/documents/DeclarationEN.pdf>).
